

# Azure's Practical Leader Programme

## what is it?

A programme that provides you with leadership and management skills that can be applied instantly in the workplace. Learn how to achieve immediate results for yourself and your organisation and gain the confidence to apply these skills. You can undertake the ILM Level 5 Certificate in Leadership and Management qualification as an optional extra.

## who is it for?

Current or aspiring team leaders, supervisors, middle managers, project managers, department heads or those who wish to develop their skills and are keen to progress their career in leadership and management.

## what does it look like?

Learn about leadership and management in practice, how to motivate, engage and inspire others, optimise your own and others' performance, communicate for maximum effectiveness and build an effective team. Expect to be supported and challenged by a comprehensive programme which includes individual 360° feedback, one-to-one coaching, and facilitated group learning sets. This is not your run-of-the-mill training course!

## how much does it cost?

£1750 + VAT. For an additional £245 + VAT you can undertake the full ILM Level 5 Certificate in Leadership and Management. The programme begins in January - to enquire please email [info@azure-consulting.co.uk](mailto:info@azure-consulting.co.uk). You may be eligible for up to 50% funding through the LEP Skills Service. See <http://www.the-lep.com/skillsservice> for further details.
