

## Stakeholder Analysis

Consider all of the people (individuals and/or groups) who are likely to be affected by the change you are discussing.

### Part I

List overleaf, who each of these stakeholder groups are; how they are likely to be affected by the change; how supportive are they likely to be?

### Part II

Identify any resistance that might manifest itself within each group and what strategies you might employ in order to deal with it.

Part I

Stakeholder Group	How Will This Stakeholder Group Be Affected By The Change?	How Supportive Will This Stakeholder Group Be?				
		Strongly Against	Moderately Against	Neutral	Moderately Supportive	Strongly Supportive
